

[Yellow Baltic Amber Silver Clasp](#)

The [yellow Baltic amber silver clasp](#) is a unique type of mineral. Today, it produces more than 80% of the amber that is discovered worldwide. Even in ancient times, it was admired. Amber's value is still quite high now. Even raw minerals have beauty that can captivate someone. People all across the world are delighted with the jewellery we make from it.

[Yellow Baltic Amber Silver Clasp](#)
